Dear MELISSA FOSTER:

The proposed motor carrier safety rating for your company is:

CONDITIONAL

This proposed CONDITIONAL rating is the result of an onsite compliance review and evaluation of your safety fitness completed on March 17, 2015. A CONDITIONAL rating indicates that your company does not have adequate safety management controls in place to ensure compliance with the safety fitness standard that could result in occurrences of violations listed in 49 C.F.R. 385.5(a-k).

This proposed CONDITIONAL rating becomes a final rating and goes into effect on June 6, 2015.

Immediate action must be taken to correct any deficiencies or violations discovered during the compliance review. Your operation was found to be deficient with respect to the applicable safety regulations in the following areas:

Part 396 INSPECTION, REPAIR AND MAINTENANCE
Part 382 CONTROLLED SUBSTANCE AND ALCOHOL USE AND TESTING
INSPECTION OUT OF SERVICE RATE

Please refer to the copy of the compliance review left at your office for more specific guidance regarding areas in need of corrective action.
